

# ***Train times altered***

**THERE** are still some tickets available for the special train run by Wycombe Wanderers Supporters Club for Saturday's FA Trophy match at Runcorn.

These tickets will be on sale at Loakes Park tonight (Tuesday) and on Thursday from 7-9 pm. Any remaining tickets will go on sale at High Wycombe station on Saturday morning.

Supporters should note that the times of the train have been slightly altered. The train leaves Wycombe at 11 am and will

arrive in Runcorn at 2 pm. On the return journey the train leaves Runcorn at 5.25 pm and arrives back in High Wycombe at 9.17 pm.

Midweek has been asked to point out that **NO ALCOHOL** will be allowed on the train.

The Wanderers team and officials travel up to Boden, near Altrincham, on Friday evening by coach. They plan to have a light training session on Saturday before leaving for Runcorn.

Runcorn suffered a set-back

on Saturday when midfield player Phil Wilson was carried off the field after damaging ligaments in the Northern Premier League match at Great Harwood. He is almost certain to miss the Trophy game. Runcorn were 1-0 and 2-1 up thanks to goals by Trevor Finnegan and Barry Whitbread but Harwood scored in the last two minutes to take a point.

Neither Wycombe nor Runcorn have mid-week games this week.
